MY VISIT TO MSMT
Today I am going to see a play at Maine State Music Theatre.
A play is a story told by actors on a stage. The actors pretend to be characters during the play.
During the play, the actors might greet me by saying hello. I can say hello back to them, if I want to. During the play, the actors will invite me to cheer for heroes or boo at the villains. I can cheer and boo if I want to.
The play will have music and singing.
The play can be funny. I can laugh out loud if I want to.
People will clap when they like something during the play. I can clap if I like what I see or hear. People clap for a short time. I can cover my ears if the clapping noise is too loud.
QUIET PLACE

If the show is too loud, I can go to the quiet place.
If I get nervous or anxious, I can go to the quiet place.
END OF PLAY

When the play is over, the actors will take a bow. People will clap to thank the actors. I can clap if I want to.
