MSMT is grateful for the donations from individuals, businesses, and organizations who have given to the Lifeline Fund set up in response to the Covid-19 cancellations and restrictions that led to a loss of revenue for the 2020 season. Contributors are listed below. While every effort has been made to list the supporters accurately, errors are inevitable. If you notice an error or an omission, please contact our Development Director, Amanda Choate, at 207-725-0150. Donations listed were received between April 1, 2019 – October 31, 2020.
